Reg Pearce, a legend of Staffordshire cycling

Reg was the center of the cycling world within Stafford, spending his life devoted to the sport in which he loved dearly. You could often find Reg out on the local club runs or partaking in one of the many local time trials representing Stafford Road Club.

Reg was a long distance TT specialist and in 1957 he set the Stafford Road Club record for the 24 hour time trial at 388.87 miles then just 3 years later he set a new record of 411.43miles which still stands today 62 years later!

This all without the modern day aero bikes and clothing.

Reg was a devoted club man and as well as representing Stafford Road Club in events he stood for many years as the Club President until he sadly past away in May 2018. Reg was always there encouraging and supporting local riders to ride 'The Race of Truth' and challenging them to break the many records he set. Reg Pearce and his dear wife Nan where at the heart of our cycling community and will be remembered fondly by all those lucky enough to have met them.

COVID 19 REGULATIONS.

Although most restrictions have now been lifted it is essential that everyone follows any remaining government requirements and takes sensible precautions to respect the potential concerns of everyone else. This is particularly relevant at the HQ since the people managing the results and the provision of refreshments will be in the building for several hours.

- If you feel at all unwell or are showing signs of Covid 19 **DO NOT** come to this event.
- An elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of any kind and the rider should DNS and leave immediately and not go to the start line if you feel this is the case.
- If you have any doubts you should obtain a lateral flow test prior to attending the event.
- Under no circumstances attend an event following a positive test.

Headquarters

Will be open from 12:30 with signing on starting at 1pm.

Please use hand sanitizes provided when entering the HQ or toilets

After the event please remember to sign back in and return your number.

Turbo trainers or rollers can be use in the car park

No warming up on the course after the event has started any rider who does will be disqualified.

Special thanks to the marshals from Stafford Road Club

Craig, Steve, Martin, Nick, James, Melvyn, Jenni, Sue and April

Without your help and support none of this would have been possible, Thanks 😊

At the Start - The timekeepers and officials will be checking that riders a) have their numbers attached correctly, b) have a working **front and rear light**, c) are wearing a **helmet** that meets current safety standards. If any of these are not complied with, you will not be permitted to ride. Do not arrive at the start more than 5 mins before your start time. When you arrive please wait on the grass verge (off the road)

There will be no "pusher offer" and you will have to do a standing start on your own with one foot on the ground. Rolling starts, track stands and "jumping the gun" will not be permitted. Offenders will be disqualified

Make it easy for the finish timekeepers: when you cross the line shout your number as loud as you can. Do not approach them for results, provisional results will be available in the HQ afterwards and prize winners will be contacted the following week when the results have been confirmed and funds sent via bank transfer. Results will be available online ASAP after the event on the Stafford Road Club website, VTTA Midlands page and CTT website.

Thank you for your co-operation and we hope you have a good race.

IF YOU OR ANY OF YOUR HOUSEHOLD ARE NOT WELL OR ARE SHOWING SIGNS OF COVID-19 THEN PLEASE DO NOT COME TO THIS EVENT.
